Reserve Balance

What is "Reserve Balance"?

More level income to help cover chargebacks from cancelled memberships.

How does it work?

15% of your commissions will be set aside in your reserve balance account.

Can I have more than 15% withheld in my account?

Yes, you may increase the amount to 20%, 25%, etc.

Can I choose to have more than \$10,000 held in my account?

Yes, you do have the option of going beyond the \$10,000 cap in your account.

Can I withdraw the money in my Reserve Balance account?

No, your reserve balance will be withheld to help cover chargebacks from cancelled memberships for as long as you are selling.
